

MEETING MINUTES
JOINT MANASOTA KEY COMMUNITY/STREET & DRAINAGE MSTU ADVISORY COMMITTEE
March 26, 2013
6:00 p.m. – Lemon Bay High School Cafeteria

Attendees: Frank Chappell, Toby Delbridge, B.J. Galberaith, and Andy Wing

Absent: Joan Dunham-Card

County Staff: Dawn Harrison, Tara Musselman, and Sandy Wright

Guests: Sign-in sheet attached

The meeting was called to order at 6:17 p.m.

This is a joint meeting between the MSTU Advisory Committee and members of the community to allow Weiler Engineering to compile a list of public wishes and concerns regarding a Community Master Plan for Manasota Key.

- Master Plan Design Project – Mr. Green from Weiler Engineering introduced staff members. The information gathered during this meeting will allow Weiler to help the Committee prioritize the projects to be as cost effective and efficient as possible. A presentation was given outlining the types of information that the engineering firm is hoping to gather during this session with the public.
 1. Lighting
 2. Bike/Pedestrian Safety
 3. Signage
 4. Infrastructure Improvements
 5. Parking
 6. Aesthetics
- Weiler Engineering will help provide solutions to areas of concern. There is funding available through grants that would match the MSTU's funds.
- The MSTU Committee is not recommending a tax increase to fund any of these projects.
- There is existing space that can be utilized to address some issues.
- The citizens broke out into groups to discuss individual items. Each citizen was given 12 dots to place in the categories that are the most important to them. Weiler will use that information to create their master list.

The meeting was adjourned at 8:10 p.m.
